Metrics:

- Total Test Cases Executed: 102
- Total Test Cases Passed: 88
- Total Test Cases Failed: 10
- Total Test Cases Blocked: 4
- Test Coverage: 100% (all planned test cases executed)

5. Conclusion/Next Steps:

- Majority of functional and usability test cases passed, with some failures in email confirmation and sorting functionalities.
- Critical issues like missing confirmation emails need to be resolved before moving forward.
- Blocked test cases related to password reset and performance need further investigation.
- Suggest re-execution of failed and blocked test cases after fixing reported bugs.
